

Fairy Box Stardust Appeal

Fairy Box exists to help children and their parents through those difficult moments which come with necessary but sometimes frightening medical treatment procedures, or which come with the onset of sudden and sometimes life-threatening illness or injury.

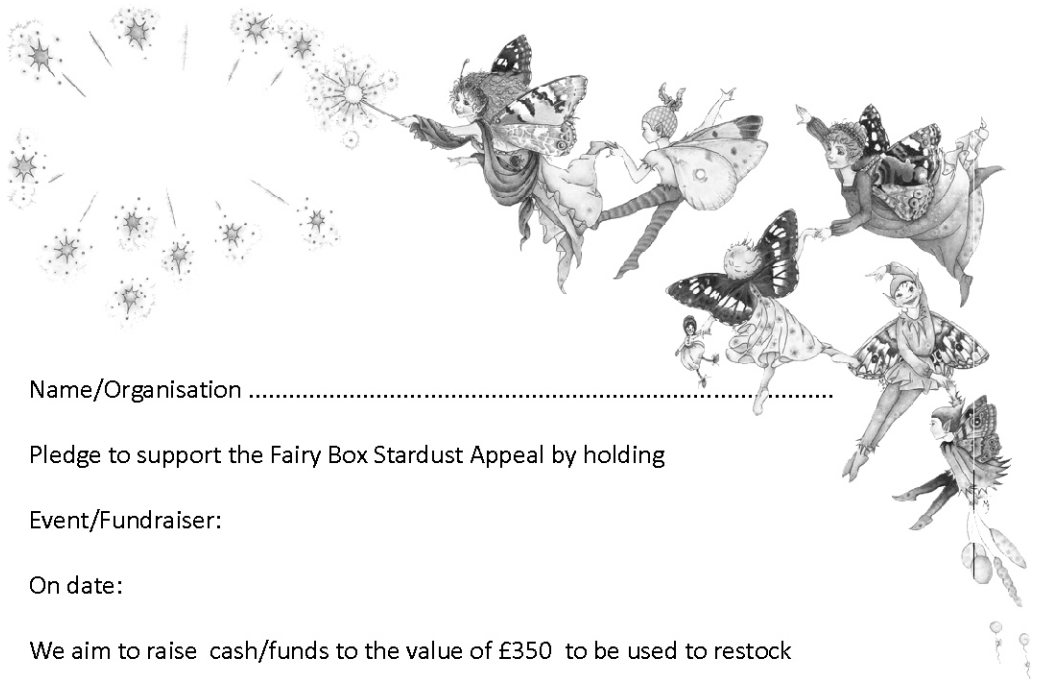

Through the new toys and gifts which the charity provides for ill and injured children at these heart-stopping moments Fairy Box has become a much valued and beneficial resource on children's wards across Scotland.

On a busy children's ward Fairy Box can provide up to 3,000 gifts a year. This means each Fairy Box will need to be restocked up to ten times over the year at an average cost of £350.

In this appeal Fairy Box is inviting local volunteers and fundraisers to take up a "Stardust Pledge" to help re-stock a Fairy Box. Each "Stardust Pledge" aims to secure cash or new toys for the benefit of local children. Visit our website at www.fairybox.org more information including 101 fundraising ideas.

When a distressed or poorly child begins to recover every one sparkles - so please help us to keep the magic going and join us by filling in your "Stardust Pledge" over the page.
